Enjoy the view **reduce the glare**

SUNSCREEN is a technologically advanced window covering to suit both commercial and domestic decor.

SUNSCREEN creates a pleasant softly filtered light.

Stylish and functional as Roller Blinds, Roman Blinds or Vertical Blinds, SUNSCREEN allows you to enjoy the view, whilst providing daytime privacy, heat control and glare reduction.

SUNSCREEN offers extensive colour ranges to harmonise with all decor and architectural designs.

Sunscreen roller blinds are suitable for manual chain control operation or motorised with switch or remote control.

For total privacy both day and night, twin blinds allow you to alternate between a total blackout blind and the benefits of a SUNSCREEN roller blind.

A tensioning device is installed with all chain controls to ensure your child's safety.

CARE INSTRUCTIONS: Clean dirty marks with a sponge soaked in luke warm water and mild detergent solution.

Deluxe Chain System
