SAFE | STYLISH | AFFORDABLE

The Alsafe Security Mesh (or ASM) door combines sophisticated technology, disciplined manufacturing and unmatched quality with an attractive design, giving you the ultimate security, style and peace of mind.

Constructed with a heavyweight extruded aluminium frame, high-strength marine grade 316 stainless steel, and our unique 3-way locking system, it ensures maximum protection of your property and family.

And naturally, because security is our chief concern, the ASM has been rigorously tested to ensure it meets all relevant Australian and Industry Standards

- > Dynamic Impact Test
- > Lock and Hinge Lever Test
- > Knife Shear Test

Features:

- Triple locking mechanism
