SHADES® *The Clever Curtain*

Introducing new Veri Shades®.

The newest innovation in
window furnishings.

Discover a better way of living.

Veri Shades® are the new revolutionary window furnishings range that combines the sophisticated elegance, softness and style of curtains with the versatility of blinds.

The unique patented design is made from a soft, yet durable fabric that hangs luxuriously like curtains, while the supple folds operate like blinds to provide privacy, superior light filtering and airflow control.

There are no weights or chains to worry about, so you can walk through Veri Shades freely – whether they're open or closed. Their versatility, functionality, durability, easy care low maintenance and chic classy styling make them perfect for any home or office environment. The two sided individual folds transition from translucent to opaque at the simple turn of a wand.

Veri Shades are child and pet safe and are available in a variety of high quality, stylish fabrics, colours and sizes to suit any space or décor.
