## WHAT WE WILL DO:

Your goods will be inspected/repaired/replaced as we deem necessary, within a reasonable time. This time may vary, depending on reasons such as parts availability, incorrect fault description etc.

In some circumstances, goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

If the problem is deemed to be a major failure, a replacement or refund is available to you. If a refund is provided to you, it will be made by the same method of payment that you used to make your purchase. Refunds will normally be processed within 7 days.

There may be circumstances where you are not entitled to a remedy. Where the product is assessed and found that it does not breach the consumer guarantee or the conditions of this warranty, you may be required to pay costs incurred for the assessment.

The product will be returned to you at your original installation address, unless it is being replaced, or it is no longer required / wanted.
